WELCOME

I am Stefano Marras, founder of Marras Law Firm, based in Sassari, in northern Sardinia, close to the Costa Smeralda area, since 2013.

ABOUT

SERVICES

Out-of-court Counseling and court Assistance

You may need to resolve disputes and controversies outside of court by providing legal support, advice, and assistance in negotiations to avoid court proceedings.

However, not all problems can be resolved amicably: sometimes you have to access to a Court to see your reasons protected.

We are by your side in both cases.

Business Consulting and Contract Drafting

Leveraging our extensive and diverse expertise in corporate, commercial, copyright, business, and private events law, we provide comprehensive support in the development of Contracts.

Our services encompass the creation of standard contract templates as well as bespoke agreements tailored to your individual requirements.

Legal Assistance for Business Internationalization

Marras Firm is an accredited and qualified partner IICUAE for Italian businesses looking to make investments in the United Arab Emirates and the Persian Gulf area, offering services ranging from business setup, drafting and negotiation of corporate contracts, to assistance in resolving administrative, financial, banking, and commercial issues.
