QUALIFICATION EQUIVALENCES

Ascentis Level (QCF)		CEFR Level	Description
Beginner	Ascentis Entry Level 1 Certificate in ESOL International	A1	Learners understand and use very simple phrasing to express themselves in everyday interactions and to perform familiar tasks. They can share personal details and ask questions about others' lives. They can follow and take part in slowly paced conversations. They may require support and have the language skills to ask for help in everyday situations.
Basic	Ascentis Entry Level 2 Certificate in ESOL International	A2	Learners understand and communicate in frequently used expressions and basic sentences. They can exchange information with others about familiar settings, such as their home, local area, and workplace. They use their language skills to perform routine tasks in these settings. They can address different aspects of their immediate environment, needs, and background in conversation that is clear.
Intermediate	Ascentis Entry Level 3 Certificate in ESOL International	B1	Learners understand and make themselves understood clearly on regular issues in work, school, as well as leisure scenarios, and while travelling. They can connect ideas in spoken and written language. They can use simple descriptive language to detail their plans, experiences, and hopes. They can use simple argumentative language to express their standpoints on topics of personal interest.
Independent	Ascentis Level 1 Certificate in ESOL International	B2	Learners understand and discuss the main ideas of abstract and concrete matters, using more complex language. They can communicate independently in spoken and written language. They can use descriptive language about details on a wide range of topics. They can use argumentative language to elaborate on the advantages and disadvantages of topical issues and their own views.
Advanced	Ascentis Level 2 Certificate in ESOL International	C1	Learners understand and communicate about implicit meaning in challenging texts and interactions. They can express themselves flexibly and effectively for varied purposes in their social, professional, and academic settings. They can structure clear and detailed text on complex topics, using appropriate organisational and cohesive devices.
Proficient	Ascentis Level 3 Certificate in ESOL International	C2	Learners understand and make themselves understood clearly and effortlessly in response to everything in their social, professional, and academic settings. They can summarise information and paraphrase arguments. They can structure and deliver coherent presentations. They can express themselves spontaneously and precisely in relation to the tone and attitude of varied viewpoints and complex subjects.
