REAL ESTATE AND CONDOMINIUM MANAGEMENT

FROM LOCAL CONSULTANCY TO INTERNATIONAL TAXATION

STUDIO DUE EMME DEL DOTT. MASSIMO MIANO

The Firm is registered with the National Board of Chartered accountants of Naples (since June 13, 2005) and with the Register of Auditors at the Ministry of Economy and Finance (published in Official Gazette Supplement No. 9 on February 3, 2006).

The Firm provides qualified consulting services in corporate, administrative, accounting, financial reporting, tax, corporate law, labor, and real estate matters.

The Firm relies on an internal team of four permanent collaborators, all licensed professionals with proven experience, supported by an extensive network of external partners that includes chartered accountants, notaries, lawyers, labor consultants, and engineers. and because of that synergies The Firm is able to deliver integrated and tailor-made solutions, meeting the growing needs of a constantly evolving market.

In recent years, the firm has developed a dedicated team to handle international taxation, with a particular focus on companies operating in the e-commerce sector through proprietary websites or online marketplaces. The firm assists clients with B2C and B2B sales on Italian, European, and non-EU markets. It ensures full compliance with tax obligations, including OSS, IOSS, customs procedures, VAT ceiling management, and declarations for habitual exporters.
