# **COMPANY PROFILE**

## **LOYCE LEGAL**

Law as a business tool.

# ABOUT US

**Loyce Legal** is an independent law firm with offices in **Bolzano, Milan** and **Brunico**. We are specializing in **advising** and **assisting companies and professionals** in all primary areas of **business law** (civil law, corporate law, industrial and intellectual property, labor law, criminal law, compliance, and more).

We support **companies** and **entrepreneurs** in overcoming legal challenges and support them in developing their growth path by providing **strategic legal advice** and **tailor-made solutions**.

**Loyce Legal** has established a dedicated desk to assist companies aiming at internationalization through expansion in the United Arab Emirates (UAE), where they can be welcomed at the premises of **IICUAE offices in Dubai** (Al Moosa Tower 2 – Trade Centre).

Furthermore, **Loyce Legal** is present at the Business Innovation Centre of **Trentino Sviluppo S.p.A.** in **Rovereto** to support start-ups and established companies.

Our approach combines an **entrepreneurial mindset, legal precision** and deep **understanding of the economic** environment in which our clients operate.

***Because behind every legal decision there is always a business target to be protected or developed.***

# OUR PHILOSOPHY

At **Loyce Legal** we believe that law should help the company and not slowing it down.

For this reason, we transform **legal complexity** into **operational clarity** and translate legal risks into **specific strategies**.

Our working method combines technical analysis, practical experience, and clear, direct communication, enabling our clients to take **informed and confident decisions**.

Every assignment is based on one simple principle:

First listen,  
then advise.  
First understand,  
then act.

# AREAS OF EXPERTISE

We work with dedicated teams in key areas of business management and protection:

**Workplace accidents**

**OdV and Organizational models**

**Industrial and intellectual property**

**Intergenerational transfer of businesses**

**Environmental claims**

**Labor law**

**Tax litigation**

**Corporate and competition law**

**Business crisis and restructuring**

**Data Protection and DPO**

**Companies and new technologies**

**Energy law**

Each area is handled by **experienced professionals** with national and cross-border expertise.

# WHY COMPANIES TRUST LOYCE LEGAL

Companies that rely on us are looking for more than a legal opinion: they seek for a **trusted** partner capable of **understanding internal dynamics and business priorities**.

What sets us apart:

- 1. Proactive approach** – we anticipate issues, prevent critical developments, and protect value before risks arise.
- 2. Interdisciplinary mindset** – lawyers, consultants and experts work together to develop integrated strategies.
- 3. Clear communication** – no legal jargon, no unnecessary formalities.
- 4. Continuous support** – ogni cliente ha un referente dedicato, con accesso diretto al team che segue la sua realtà.

The result is **reliable, solid and results-oriented legal support**.

We do not approach companies to issue opinions, but to protect decisions that truly matter.

# OUR VISION

---

01

*We believe that legal protection shall not be a cost, but a competitive advantage. This is why we support companies in taking **strategic decisions** with the same care that we apply to ourselves*

02

***Loyce Legal** is the intersection of law, entrepreneurship, and innovation: a partner for those shaping the **future economy of the territory and its people.***

# THE EXPERTS

Loyce Legal brings together lawyers and experts who share one belief: technical precision is essential, but the true value lies in **understanding the client**.

Each professional stands out for competence, discretion, and dedication.

Our role is not only to solve legal problems, but to **help companies navigating with confidence in a changing world**.
