

LEXACTA  
Global Legal Advice

To improve  
is to change;  
to be perfect  
is to change  
often.

Winston Churchill  
July 1925, House of Commons

We have a  
sense of our  
customers's  
needs

# Companies

They face increasingly competitive markets,

Managing increasingly complex rules and regulations and the connection with economic factors is a strategic element.

They act fast.

They want a global consultant.  
One trusted partner.

They focus on innovation,

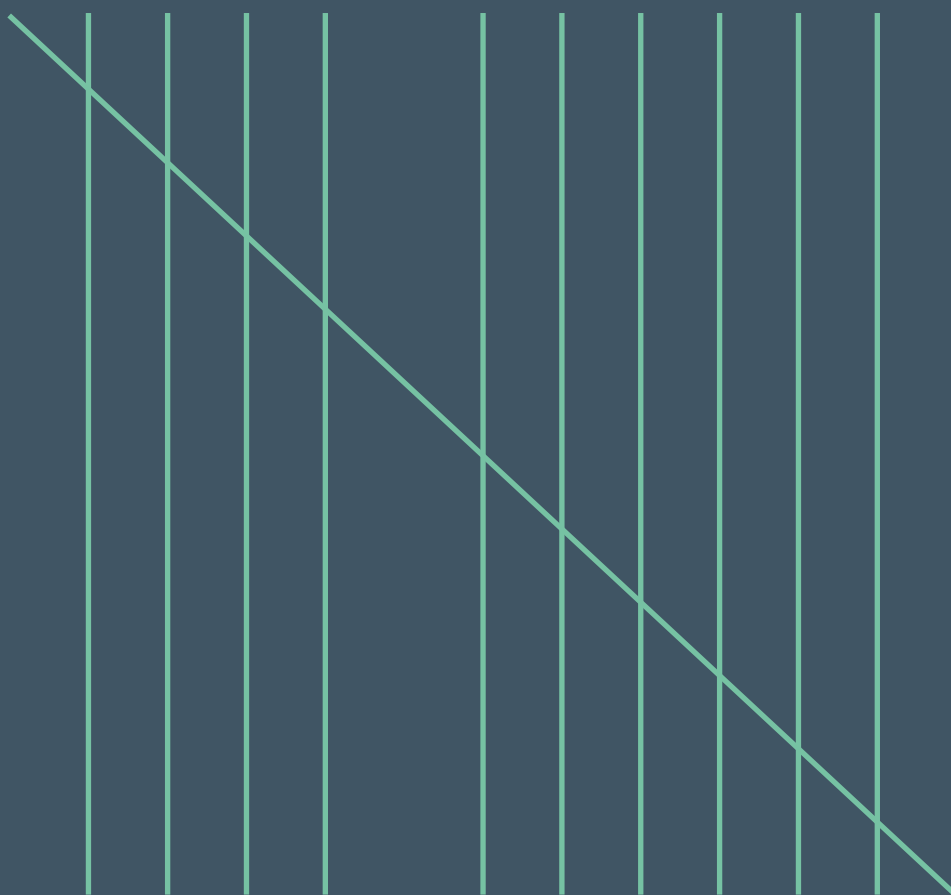

They are aware that new markets and new projects are synonymous with new rules.

They know the importance of change.

They must run exceptional projects in order to adapt to new business models.

Industrial and manufacturing businesses	Professional services and tertiary companies
Banks	SMEs
Credit and finance companies	Business networks
Insurance companies	State-owned companies and project companies
Multinational corporations	

We have  
formed an  
alliance

# The idea

Using an **integrated and coordinated approach** to different professional environments that have extensive experience.

**A team of specialists.**

Lawyers, accountants, legal and business management consultants, experts in international markets and economists.

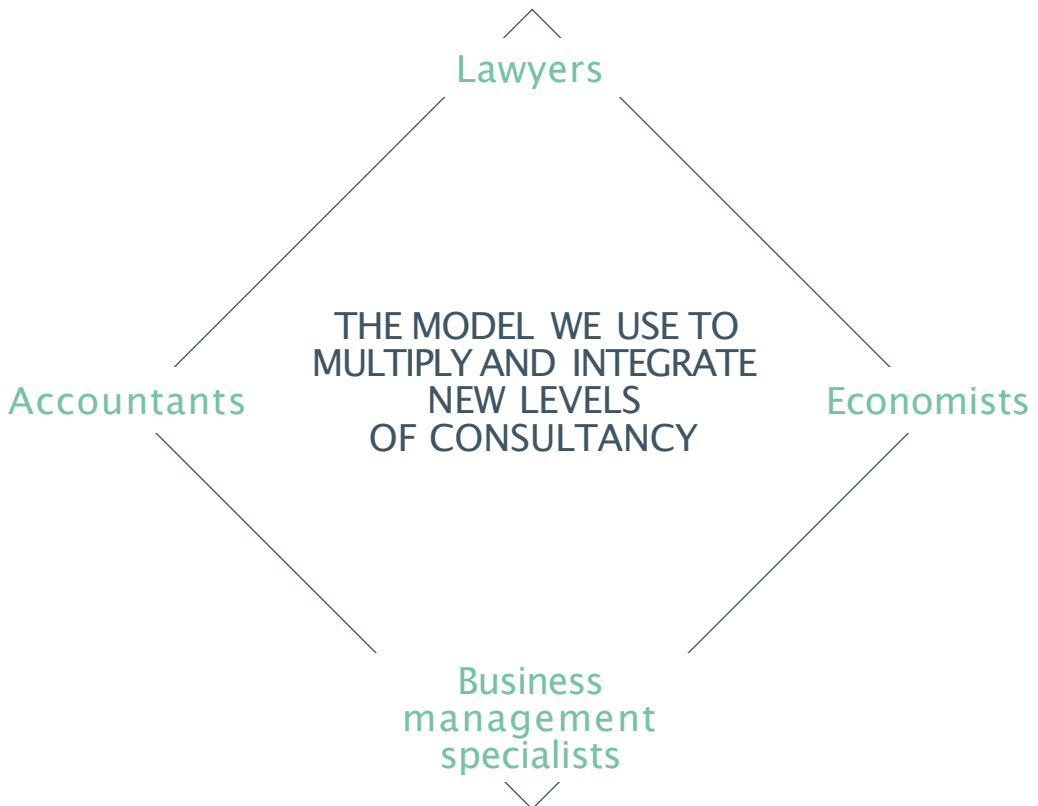

**A dynamic business model,**

ready to put in place multidisciplinary teams that are open and flexible.

**An innovative brand,**

**with a corporate approach,**

in tune with the the client's business culture.

We believe  
in the  
ongoing  
relationship  
based on  
trust

# Relationships

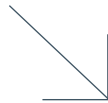

## We value experience.

We offer our customers a global, multidisciplinary, professional and open to innovation consultancy, able to coordinate the diversified skills of our professionals, that becomes an integral part of the company and its culture.

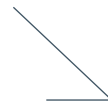

## We want to develop synergies.

Passion, preparation, culture, openness and flexibility are the characteristics of our professionals. Attention to needs and sharing of knowledge are the strengths of our teams. Synergy with our customers is the guarantee of the result.

Client  
needs

Consultant

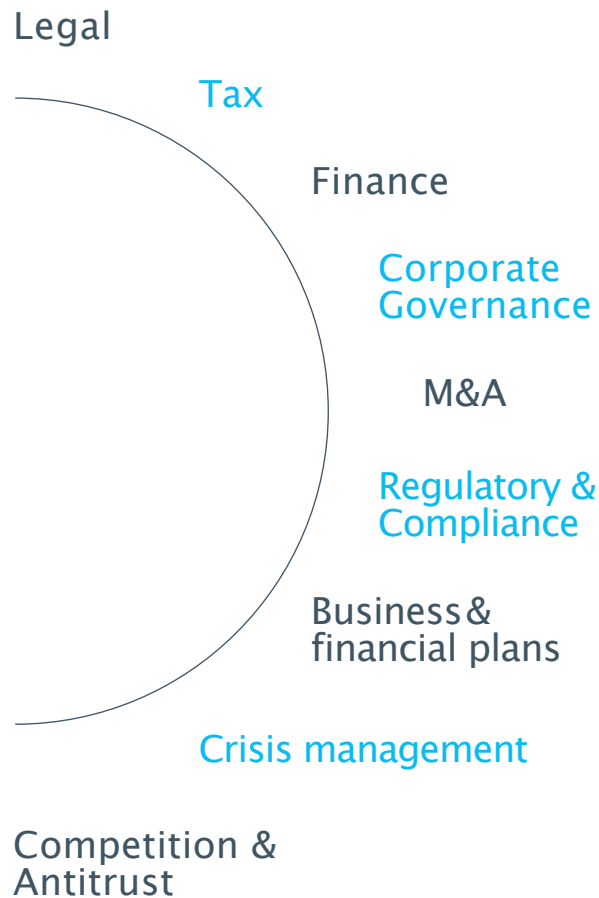

Specialist  
teams

We are always  
with our clients  
when it counts

# Action

We're right beside the clients in the management of all legal, fiscal, economic and financial matters, and in the development of special projects, to help them in their growth and evolution.

We give  
answer to  
new questions

# Innovation

We are ready to follow our customers in the introduction and implementation of new products, services, processes and business models, supporting them in the challenge of innovation and cross market growth.

Ethics	Market analysis
Professionalism	Due Diligence
