

LEGAL **L** INTERNATIONAL

LEGAL **L** INTERNATIONAL

LegalInternational is an internationally-focused law firm advising businesses on their strategic decisions and their operational choices.

With an increasingly global world economy, businesses are facing a range of new challenges that require dedicated assistance by qualified professionals with thorough experience in their field of expertise.

LegalInternational is a boutique law firm that thinks global and out of the box, and provides competent representation to its clients in the development of their business, tailoring bespoke solutions by walking beside the client all the path from where the difficulty arises to where the solution is.

LegalInternational advises major groups, middle market businesses, startups, entrepreneurs, public authorities and non-profit organisations.

Excellence, competence and empathy are the firm's leading assets.

The firm has consolidated working relationships with leading foreign global law firms in Europe, United States and the Middle-East.

The lawyers at LegalInternational have significant experience in corporate and financial transactions; civil and administrative litigation; public tenders and procurements; intellectual property, copyright and entertainment law; new technologies, telecommunications and information technology; EU and antitrust matters; employment; banking, bankruptcy procedures, insurance and tax.

The firm encourages the academic activities of its lawyers and many of them hold university teaching positions including “La Sapienza” University and “Roma Tre” University, the Superior School of Internal Affairs Department, the Superior School of Local Affairs Department, the State Institute ITS Rossellini for Cinema and TV Productions, “Ma.g.i.c.a” Master in Business Administration of Film and Audio-visual Production Companies.

The lawyers at LegalInternational regularly attend Business Conventions and Events, including CLE (Continuing Legal Education) Programmes.
