LEGAL ADVICE IN THE FIELD OF LUXURY YACHT TRANSACTION

Our law firm specializes in luxury yacht transactions, providing expert legal assistance in sales, acquisitions, registrations, and financing.

We ensure seamless, compliant processes tailored to high-value maritime assets, safeguarding clients' interests with discretion and precision throughout every stage.

OUR SERVICE

Our dedicated yacht legal team assists with:

- **Sale and Purchase Agreements:** Drafting, reviewing, and negotiating contracts for both new builds and pre-owned yachts.
- **Ownership Structuring:** Advising on optimal ownership solutions, including private individuals, corporate entities, and trust arrangements, to meet tax, liability, and privacy objectives.
- **Flag Registration:** Managing yacht registration under various flags of convenience or national registries, in line with the client's operational and regulatory needs.
- **Due Diligence:** Conducting thorough legal checks on vessel title, encumbrances, classification status, and compliance history.
- **VAT and Customs Advice:** Providing tailored guidance on EU and international VAT rules, temporary importation regimes, and customs clearance procedures.
- **Chartering and Operational Advice:** Drafting charter agreements (MYBA, commercial, or private use), and advising on regulatory requirements for charter operations.
- **Financing and Security:** Assisting with yacht finance agreements, mortgage registration, and lender protections.
- **Insurance Review:** Evaluating insurance policies to ensure adequate coverage and compliance with financing and flagging requirements.
- **Dispute Resolution:** Representing clients in case of contractual disputes, warranty claims, or regulatory issues before national and international forums.
